It was *Civil War Day* at the Library Media Center at **Bishop Loughlin High School**. The school's History department did a great job with the entire production.

Merry Christmas and Happy New Year

The President's Message.....

The ballots have been cast! On behalf of the Executive Board, I thank you all for participating in the election process, for your support, and for empowering us to take the LFA forward for three more years. The Executive Board members will be sworn in at the December 20th meeting. I am confident that the members of the Executive Board will work closely with me to realize our mission as a Union in any and all of our endeavors.

On behalf of the LFA Executive Board, I would like to wish everyone Happy Holidays!

Ciro Quattrocchi

The end of the fiscal year report will be published once completed by the CPA firm.

Bishop Kearney's new STEM Wing

On Monday, November 27th, National Grid executives toured **Bishop Kearney's** new STEM Wing. Among the visitors were Ken Daly, President of NY Operations (husband of Laurie Garcia Daly '85); Carol T. Decina '79, Manager, Customer & Community Management; Eileen McNamara Cifone '83, Manager, NYC Government Relations; Lorraine Lynch '87, Vice President and Treasurer and Board Member of National Grid Foundation; and Edward White, Executive Director of National Grid Foundation.

During their tour, the National Grid executives discovered how the Bishop Kearney students incorporated technology into their classes as they watched the students in action in the FabLab. The students described their projects and aim: to use their FabLab creations to build a positive social impact.

We are sorry to report the passing of retiree Frank Fusco. Frank was a long time member of Bishop Ford High School.

Pics below are of the LFA retirees having lunch at the office on Dec 13th. Catering was provided by Jerry Franza. Thanks Jerry. It was great to see our retirees at the luncheon.
